Rod

- [Requested]Attribute in Metadata Filter wired in. Yet to add EntityAttribute homolog
- Alpha Documentation.
 - Provoke changes in tests and in the metadata schema.
- Wiring in Trust Engines
- Question about failfast.
- Velocity "taglib" next?

Scott

- Alpha docs progress
- Adding use of property defaults (e.g. ssh_config, show the defaults commented out)
- Finding and fixing some lingering minor issues in configs
- Cleaned up some action conventions, e.g. use of synchronized
- Do we call it "encryption key" or "decryption key"? Which is easier for people?

Tom
